- Apr 29—Year End Banquet
- May 22-June 22--Spring School
- July 2-Aug 2—Summer School
- Aug 3-6 Wildrose Competition

Plans are underway for our April 29 year end banquet! We will once again be holding the banquet at Heritage Park in the Wainwright Hotel. The banquet is a fun way to celebrate another wonderful year of skating. All skaters in the STARSkate and CompetitiveSkate programs receive a complimentary ticket for the banquet, thanks to the fund raising efforts made by all skating families. We hope every skater will attend this year!

At the banquet, skaters will receive badges for the tests passed this season. With one test day left in the season, coaches and skaters will be working hard to complete tests at the April Test Day, just days before the banquet. Special recognition to Miranda Wilson, Seema Mustaqeem and Dena Gorbach who all passed their Gold Freeskate at the March test day! Seema is now Quad Gold, which is a rare and impressive accomplishment!

### Summer Programs

Our summer skating programs are now open for registration! Packages include freeskate, dance, stroking, off ice and some group sessions. We are happy to offer a 10% discount for registrations completed prior to May 15<sup>th</sup>. As well, skaters who register for a 4 week package only pay for 3 weeks! These discount incentives are for club members only as they are subsidized by fundraising done this year. In addition to figure skating, we also have CanSkate and Power Skating sessions this summer. See our website for information and to register!

We knew that Stars on Ice would be a hot ticket this year, coming off of an extremely successful Olympics. Even so, we were amazed at the great response and the record number of tickets sold! Because we purchased 160 tickets, our club will receive some special perks. We will gain early admission to watch the skaters warm up prior to the show and be able to participate in a Question and Answer period with a couple of the athletes. We will also get a group photo with one of the skaters—we can't wait to find out who it is!

## STARSkate & CompetitiveSkate News

March was a busy month with 2 competitions, a Test Day and the final Skater Showcase. We had many skaters representing the LBFSC at the Calgary Winter Invitational and great effort among the skating families to stay and cheer on clubmates throughout the weekend! Congratulations to Ethan Cheung and Braya Carroll who won silver and bronze medals respectively in their first Star 4 events! As well, congratulations to Kaydence Delon for 2<sup>nd</sup> place in Star 4 O13, Cooper Feser for 1<sup>st</sup> place in Juvenile Men and Meghan Wilcox for 3<sup>rd</sup> place in the Gold event.

Next up is the Chinook Open in Lethbridge and Sunsational Competition in Edmonton. Please continue to send photos from competition to [communications@lbfsc.ca](mailto:communications@lbfsc.ca) so that we can share them on social media and use them in the banquet slideshow. We enjoy all kinds of photos, especially ones showing our skaters having fun with their skating friends!

After the banquet, skaters will have a few weeks off while the coaches enjoy a well deserved vacation. Spring school starts May 22<sup>nd</sup> with the first few weeks at our home rink in Bonavista and the last two weeks at Fish Creek. There's still time to register since LBFSC members have priority registration until April 21.

## Learn to Skate News

The Winter session of PreCanSkate and CanSkate as well as the PreSTAR program are now over, but we understand that some skaters want to continue! We are offering a Spring Academy especially for these skaters. For Pre Star skaters who may be moving to the large ice next season, this program will offer a great transition to STARSkate.

We would also like to take this opportunity to thank all our wonderful Program Assistants who have helped out on the ice for the past 7 months. We have recognized a few of the Program Assistants throughout the year, but all of them deserve a big thank you for being great role models and sharing their love of skating with the younger generation. As a token of our appreciation, all Program Assistants will receive a ticket to Stars on Ice this year!
