

Mark April 28 on your calendar for our year end banquet! It is a great celebration of everyone's skating achievements and progress during the 2018-2019 season. Skaters will receive certificates for low tests, badges for intermediate/high tests and plaques for reaching gold level in the 4 skating disciplines. Special congratulations go out to Ali Hallett for completing her Gold Dances at the March test day. That means Ali has passed 21 dances over the years!

All skaters will receive a complimentary ticket for the banquet thanks to the fundraising efforts during the year. We will be putting together the year end slideshow soon so if you have any great photos of the skaters together or with their coaches, please send them to: communications@lbfsc.ca

Spolumbo's pick up will be
Apr 11 4:30-6:30 at the rink.
Please arrange for someone
to collect your order!

Club News

Summer Programs

Our summer skating programs are now open for registration! Club members in the STARSkate program skating 3 weeks or less will receive 10% off, but only if they register by May 15th. Skaters who register for 4 weeks of skating will receive a 25% discount!

We are also offering 2 sessions of Pre-Can, CanSkate and CanPower this July—see our website for more information and to register!

SO World Games

Amber Harriman is not only a figure skater but also a rhythmic gymnast! She recently competed at the Special Olympics World Games held in Abu Dhabi, March 14-21. Amber came home with an impressive 7 gold medals! She visited our Pre-Star class and inspired all the young skaters. Congratulations Amber!

STARSkate & CompetitiveSkate News

March seemed to fly by with 2 competitions, 2 showcases and a test day! The Chinook Open was exciting with some first time medallists! We had a strong showing in Star 4 with Yachi Bhojane winning Bronze in Star 4 U10, Delaney Tackaberry a Silver in Star 4 U13, and Alexander Eremeev-Raykhert a Bronze in Star 4 Boys. Kaydence Delon captured the Silver medal in Star 5 O13 while Jane Askham, Alexa Saeger-Billing and Jocelyn McKnight came home with Gold in the Star 6 Team Event.

The STARSkate Championships for the Alberta-NWT/Nun Section was held last weekend. A big congratulations to Yachi who won another Bronze medal in Star 4 U10 and to Megan Myslicki who won Bronze in her Star 10 freeskate!

Some other competition highlights this month: Amaiya Olson and Amelia Dobransky skated in their first competition in Lethbridge, receiving Silver and Gold ribbons respectively! Jocelyn finished 2nd in both the freeskate and creative skills portion of the triathlon. Raine Wierstra competed her interpretive program for the first time and Masato Aoyama competed his first Star 4 program. Meghan Wilcox skated what might be her last competition with several club mates on hand to cheer her on one last time. Next up, we have skaters competing at Sunsational April 19-21—the last competition of the season!

Learn to Skate News

We hope everyone had a great time at the spring Mini Competition! What impressive progress in skating skills and such proud little skaters! The winter session is now over and skaters will have received their CanSkate badges and ribbons. Report Cards that summarize the skills can be accessed online and will be useful as you plan for next steps in skating lessons.

If your skater would like to continue skating in April, take a look at our spring academy! The CanSkate spring academy will be like the winter session, only on the larger ice surface. Meanwhile, the Pre-STAR spring academy will give skaters a taste of the figure skating program.
