

Important Dates

March 31-Apr 2 Chinook Open Competition

April 21-23 Sunsational Competition

April 27-28 Test Days

April 28 Last day STARSkate & CanPower

April 30 Year end banquet

May 14 Stars on Ice

May 23 first day Spring Skating

Congratulations to JorDen Tyson who won two medals at the Special Olympics World Winter Games held March 14-25 in Austria! We are so proud to call this gold medallist a member of the Lake Bonavista family! Not only did she medal in the compulsory elements, coming in third, but she also won the freeskate. The commentators called her program “very entertaining” and were especially impressed with her spiral. So where does JorDen go from here? Well she is planning to get back to training as soon as possible so that she is prepared for the next Winter Games. As well, she is considering training in Rhythmic Gymnastics to represent Canada at the Special Olympics Summer Games!

Club News

PA of the Month

Congratulations to Jordan Zavisha who has been chosen PA of the month! Jordan has taken on the little skaters during the weekday classes while the older kids are working on more advanced skills around the ice. Jordan sets up creative circuits and plays games that helps the little ones learn. She also adapts the circuits and games to suit the needs of the older skaters too. She is a pro at the “fun zone” in the CanSkate class.

Casino

Our June 20-21 casino is coming up! We still require approximately 10 volunteers for our night shifts. By volunteering for a shift, you fulfill **both** volunteer & fundraising obligations for next season! Contact casino@lbfsc.ca for more info.

Save the Date

Our annual banquet for STARSkate and CompetitiveSkate will be held on Sunday, April 30 at Heritage Park! Watch your email for details and your chance to RSVP. We are looking forward to seeing all our skaters there to celebrate a great year!

STARSkate/CompetitiveSkate News

We had many skaters representing LBFSC at the Calgary Winter Invitational. This is a qualifying event for Competitive skaters. Congratulations to Nicole Kraft who earned the necessary technical points to compete at Sectionals this November in Pre-Novice! As well, congratulations to Juan David Castillo who earned a silver medal in Novice and the points to compete at Challenge this year! Also of note are 2nd place for Cooper and 3rd for Michael in Juvenile as well as 2nd place for James in Pre-Juvenile.

Several skaters competed at the STARSkate Championships held in Airdrie on April 23-25. Congratulations to Natalie Schell for a bronze medal in the Bronze Triathlon event. This is a unique event in that skaters must perform 3 times—a freeskate, an interpretive program and a creative skills program. Points are then combined for an overall score to determine placement.

Good luck to those competing in Lethbridge and in Edmonton this month!

Thanks to all the volunteers who assisted with our March test days. It takes a great deal of help to keep things running smoothly and keep the judges happy! We had a great number of skaters testing and also hosted skaters from other clubs. Our final test days of the season will be held at the end of the month and badges will be presented at our year end banquet. If you have any photos of the skaters either on ice, celebrating an achievement or with their skating friends, please send them to communications@lbfsc.ca so that we can include all skaters in our year end slideshow!

CanSkate/Power News

April 1 marks the end of our winter session of Pre-CanSkate, CanSkate, and Pre-STARSkate! We hope that the skaters enjoyed the past 12 weeks and are proud their improved skating skills. Badges and ribbons were passed out in the final week. If you have any questions about which program your skater should take next, please don't hesitate to speak to the coaches. We would love to see skaters back for either our Spring Academy or summer program!

It's not too early to think about summer activities! We offer both CanSkate and CanPower in July. Registration is now open for these programs on our website.
