

After an unusual season last year, LBFSC was happy to run our summer program and welcome everyone back on the ice for the 2021-2022 season! We are looking forward to a great season as competitions and assessment days have resumed and precautions are in place to keep our skaters safe. Thanks to everyone using the main entrance where proof of vaccination can be shown and following the mask mandate while in the LBCA facility.

Though we said good-bye to several of our graduating senior skaters this summer, we are so excited to welcome new skaters to the STARSkate program and our LBFSC family! Hopefully the parent meeting provided more information to you about what to expect from the club and this sport. Remember if you have any questions, check with your coach!

Welcome to our new Canskate head coach, Sonya MacMillan. Sonya was recruited as our Canskate head coach last year, but we were limited in our Learn-to-Skate (LTS) programs. We are so pleased that she is available to run our LTS programs this year!

We're also thrilled to welcome back alumni, Seema Mustaqeem who will be coaching Pre-STAR, Pre-CanSkate and CanSkate this year. It is always so amazing when skaters who started off in our programs and progress through the Skate Canada program become CanSkate coaches themselves!

LBFSC hosted an assessment day to wrap up our summer program. Changes to the Skate Canada assessment program now has levels Star 1-5 (Star 1-Gold for Skills) as coach-assessed tests while an evaluator assesses Star 6-Gold. As you can see from the list of everyone who passed their assessments, our skaters should be proud of all they've accomplished. Special congratulations go out to Elizabeth Murashko and Jane Askham for passing their Gold Skills assessments! The July test day was also notable for three skaters--Erika West, Emma Liew and Jocelyn McKnight, each passed their 3rd gold level assessment! Triple Gold is a major achievement for skaters as it represents many years of hard work!

Good Luck!

The Fall Invitational will be held in Leduc, Oct 1-3 this year. The following skaters will be representing LBFSC. Please check your email for the cheer guide and streaming link.

Pre-Juvenile U13: Isla Boomhour

Juvenile U12: Reegan Power, Justin Cheung

Juvenile U15: Erica Hayman, Alexa Saeger-Billing, Kristen Nyrose

Pre-Novice: Erika West, Emma Liew, Ethan Cheung

We've had stellar registration this year and our LTS programs are well underway! The coaches have placed skaters into groups so that they are with children working on similar skills. The Skate Canada program is designed to keep skaters moving and having fun. It also strives to provide children with a solid foundation whether it's so they can enjoy it recreationally or so they can participate in skating sports. And with next year being an Olympic year, we anticipate interest in our LTS programs to remain high. While our Saturday classes are full, there are still some spots in our weekday classes so spread the word to your friends & family!

Did you know we offer discounts for anyone skating twice a week or in both fall and winter sessions? If your child is really enjoying their skating class, consider adding the second session by Nov 30 to get the discount.
