ELECTION OF THE EXECUTIVE BOARD FOR THE 2020/2021 YEAR16

Applicability

These Policies and Guidelines apply to all STARSkate and CompetitiveSkate skaters for the 2020/2021 fall/winter sessions. **All dates set forth in this document apply to all skaters regardless of the date of registration.**

Revisions

The LBFSC Executive reviews the policies and guidelines set forth in this document continuously and may change them from time to time. The current applicable document will be posted on the LBFSC website.

LBFSC Executive

The LBFSC has an elected board of executives. Meetings are held once per month. The Board members volunteer their time to ensure the proper and transparent administration and operation of the club. Any questions or concerns can be raised to any board member who will raise it with the LBFSC Executive for discussion if warranted. A list of email contacts is listed at the end of this document and is also posted on the LBFSC website.

Skate Canada Membership

The home organization of a registrant is the member club or skating school through which the individual registers with Skate Canada as a registrant.

A registrant may be a member of more than one club or skating school but can only have one home organization per registration year.

A registrant who belongs to more than one club or skating school must advise each organization of which he/she is a member as to his/her declaration of a home organization not later than September 1st of each year. If a registrant fails to make such declaration, then the first of the organizations to submit the individual's registration will be the home organization for that registration year.

If a registrant wishes to change home organizations following registration for a particular registration year, they must [notify Skate Canada](#). Changes to home organization that involve a change of section are subject to provisions as included in section policies.

LBFSC Membership

All community and non-community residents are invited to join LBFSC provided there is a LBFSC Coach available for the skater.

The following is an excerpt from the LBFSC Bylaws:

- 4.1 Membership in the Club shall be open to all, irrespective of sex, age, creed or colour. All Club members participating in skating programs will also be members of the Lake Bonavista Community Association.
- 4.2 All members shall uphold, observe and conform to the rules of Skate Canada, the By-Laws of the Club and such regulations as set forth from time to time by the Executive of the Club.
- 4.3 Members of the Club shall be registered with Skate Canada and pay such registration fees as set forth in the Skate Canada rulebook.
- 4.4 Fees, age limits, skating rules and skating hours shall be as the Executive decides from time to time. Club membership shall commence on the first day of the Skate Canada membership year, September 1, or the date that the fees are paid (whichever is the latter) and terminate on the last day of the Skate Canada membership year, August 31.
- 4.5 To be considered in good standing, all members of the Club must pay all Club fees as stipulated by the Club Executive. Any member wishing to resign from the Club may do so upon written notice to the Executive through its Secretary. Members in arrears over **30 days** to the Club or to the Coaches will not be permitted to take part in any Club activity. If any arrears are not paid within **30 days** of the date set for payment such members shall be considered as having terminated their membership.

LBFSC Communication

Email is the primary form of communication used by the LBFSC. In addition, important notices will be posted on the bulletin board outside of the large ice. The LBFSC Executive will be hosting a **mandatory parent meeting** in mid-September to advise families of the policies and expectations. The LBFSC also inserts a paragraph in the Lake Bonavista Bugle to inform the community of the ongoing activities and posts competition and test results. LBFSC families are encouraged to have open communication with their coaches and to raise any questions/concerns to any member of the LBFSC Executive.

Registration

Payments

NO CHEQUES will be accepted for program registration full or installment payments or test day payments – ONLY American Express, MasterCard, Visa, Visa Debit.

Qualifications for Freeskate Ice Sessions

The qualifications for all Freeskate ice sessions are based primarily on the skating test qualifications as well as the availability of the coaches' times to provide lessons.

Junior: STAR 1-5 (working on STAR 1-5)

Intermediate: has passed STAR 5 Freeskate (program and elements) or Senior Bronze (working on STAR 6)

Senior: has passed STAR 6 Freeskate (program and elements) or Pre-Juvenile and Junior Silver.

Skaters are required to (i) consult with their coaches before registering for Ice Sessions; and (ii) register only for those sessions on which they are qualified.

Skaters who register for ice sessions they are not qualified for risk losing priority in the registration process. If an ice session is full or the skater is not qualified, they will be notified by email and asked whether they would like to switch to a different day and time or be added to a wait list.

LBFSC reserves the right to place skaters on appropriate ice sessions and to change both ice schedules and ice costs.

Purchasing Non-Prime Ice (early morning ice)

It is mandatory for each skater (with the exclusion of those that have passed 3 of the following 4 disciplines: GOLD Dance, GOLD Skills, GOLD Freeskate or GOLD Interpretive (Artistic) otherwise known as TRIPLE GOLD) to purchase one hour and a half (**1.5 hours**) of non-prime (morning) ice (whether the skater skates on it or not). An exception is made for Pre-STARSkate skaters that are only "trying out" if they remain registered in the Pre-STARSkate program and are only adding on STARSkate session(s).

Waitlist Skaters

In the event that the registration for an ice session has exceeded capacity and there is a waitlist, the following priority will apply in accepting the registrations: (i) skaters who are qualified for the ice session will have first priority (ii) skaters who have purchased 2 hours of non-prime ice will have the second priority; (iii) skaters 18 years and under will have the third priority and (iv) where all members are equal, priority will be given to the skaters on a first come first served basis as determined by the registration date/time.

Purchasing Additional Ice Time

Additional ice sessions may be available for purchase during the winter session provided that: (i) there is space available; and (ii) the skater meets the applicable session qualification unless there are less than 8 skaters registered for the session in which case LBFSC has the right to waive the qualification requirement. Skaters or parents must contact the STARSkate registration chair for determination of costs and availability. The skater must also obtain their coach's approval prior to registering for

additional ice sessions. All requirements for each additional ice sessions purchased must be honoured, including, but not limited to, rink chair.

All additional ice sessions will be pro-rated accordingly at time of registration.

Switching/Exchanging Ice Sessions

Except as otherwise stated, switching or exchanging ice sessions is not permitted. If a skater misses their regularly scheduled ice session, they are not permitted to switch or exchange times and skate on another session. Skating on another session will be considered as “pick-up” (see **Pick-up Ice** definition below). The 15-minute grace period will apply when a skater needs to be held over on a session due to the coach’s request.

Exchanges to registered ice sessions may be permitted provided that the exchange is of a permanent nature, availability of ice time, and coach approval. Such a request must be made in writing or by email to the STARSkate registration chairperson for approval.

Special consideration for make-up time will be given to coach requests and to skaters who experience illness or injury in duration of three weeks or more. In the case of illness or injury, a doctor’s note will be required.

Alumni Skaters

An Alumni Skater is a skater who skated with the LBFSC previously, does not wish to test or compete and no longer skates full time or takes lessons. They must have a current Skate Canada membership and shall pay the pick-up ice fee at a rate of **\$18/hr**. There is **NO requirement** for the skater to: (i) participate in the rink chair duties; (ii) pay the LBFSC membership fee; (iii) pay the LBCA membership fee; or (iv) meet the fundraising and volunteer requirements including providing the fundraising and volunteer deposit cheques.

Guest Skaters (Out of Club – not a member of LBFSC)

A guest skater is an out of club skater. They must have a current Skate Canada membership and shall pay the pick-up ice fee at a rate of **\$20/hr**. There is **NO requirement** for the skater to: (i) pay the LBCA membership fee; (ii) pay the LBFSC membership fee; (ii) participate in the rink chair duties; or (iv) meet the fundraising and volunteer requirements including providing the fundraising and volunteer deposit cheques.

STARSkate Tryout Model

When a skater from the Pre-STARSkate or CanSkate program wants to tryout the STARSkate program they must be a member of Skate Canada, have a coach secured and purchase Winter Pick Up Ice in 45 or 60-minute increments. The 10 Pack pick up pass is not eligible. Skaters are required to check in with the Winter Skating Director each session they skate on and the pass will be debited. Skaters may tryout **anytime after January 1** (Winter Session) with the intention of joining the STARSkate program the following September. ***They will not receive any STARSkate member email or be invited to the STARSkate***

Year-End Awards Banquet.

Requirements

1. There is **NO requirement** for the skater to: (i) participate in the rink chair duties; (ii) pay the LBFSC Membership Fee (iii) participate in volunteering and fundraising.

Moving Up from STARSkate/CanSkate

Any Pre-STARSkate/CanSkate skaters may move up to STARSkate **before February 15.**

Requirements

1. Fulfill **half** of the required volunteer credits and provide the volunteer deposit cheque.
2. Are **NOT required** to fundraise.
3. Participate in Rink Chair Duties.
4. It is mandatory for each skater (with the exclusion of those that have passed 3 of the following 4 disciplines: GOLD Dance, GOLD Skills, GOLD Freeski or GOLD Artistic otherwise known as TRIPLE GOLD) to purchase **one hour and a half (1.5 hours)** of non-prime (morning) ice (whether the skater skates on it or not).
5. ~~Pay the LBFSC Membership Fee of \$50.~~
6. Allowed to attend the STARSkate Year-End Banquet.
7. As members of STARSkate will receive All STARSkate member email.

Withdrawal from Skating and Refund Policy

Withdrawal from Skating

1. Full refunds for ice fees will apply to withdrawals made on or before the start of skating. Membership fees (LBCA, LBFSC and Skate Canada) are non-refundable.
2. Refund requests made after the start of skating will be given less the amount equal to **1/3** of the total remaining ice costs.
3. All withdrawal requests must be in writing and emailed to the STARSkate registration chair and approved by the coach.
4. Such refunds will be subject to a **\$35** administration fee.

Refund Due to Injury or Illness

1. When there is an injury or illness that prevents the skater from continuing with the skating season, or portion thereof, a refund less **20%** of unused ice costs, will be given provided that: (i) the missed time is a minimum of **4 weeks**; and (ii) a doctor's note is provided.
2. If the missed time is less than **4 weeks** no refund will be given.
3. All refund requests must be in writing and emailed to the STARSkate registration chair and approved by the coach.
4. Such refunds will be subject to a **\$35** administration fee.
5. Skaters will require the approval of the Winter Skating Director upon return.

Pick-Up Ice

Pick-up ice will only be available where an ice session is not filled with registered skaters. Skaters can only pick-up on sessions for which they are qualified to skate on and shall be on a first come, first served basis. The cost of pick-up is **\$18.00/hr.** LBFSC members (In Club) will be given priority over non-members (Out of Club) and non-members will be given priority over alumni members (former LBFSC). Skaters must check in with the rink chair prior to skating to ensure there is space. Passes will be debited by the Winter Skating Director. Skaters are required to pay for the pick-up session ahead of time. Passes are available on the website as follows:

Hourly Pass

Winter School Pick Up Ice - (45 mins) – In Club - \$13.50

Winter School Pick Up Ice - (60 mins) – In Club - \$18.00

Winter School Pick Up Ice - (60 mins) – Out of Club - \$15.00

Winter School Pick Up Ice - (60 mins) – Out of Club - \$20.00

10 Pack Pick Up Pass

(for skaters that designate LBFSC as their home club and have purchased 2 hours of non-prime/morning ice time)

10 – 1 hr. sessions (\$12/hr.) – \$120.00

- One pass **CAN BE** shared among family members who qualify.
- Passes **DO NOT** expire and can be used for subsequent winter season ice time in the following year.
- Passes **CANNOT** be used for spring/summer school, Christmas ice, or warm-up week.
- Pickup ice credits may be given in lieu of lost ice time due to test days or unforeseen scheduling circumstances.
- Pickup ice credits **CANNOT** be used towards payment of regular Fall/Winter, Spring or Summer ice sessions.
- Pickup ice purchased or credited is non-refundable and non-transferable and cannot be gifted to another family.
- A **15-minute** grace period is allowed if the skater is picking up to partner for dance in preparation of a test day or if the coach holds the skater for a lesson.
- Skaters are expected to exit the ice upon completion of the lesson or partnering.

Rink Chair

Each ice session requires a person to play music for skaters. Guidelines for playing music are posted in the music room. All ice sessions are divided equally amongst skaters of that session to ensure that all families are being assigned as Rink Chair equally. There are no exceptions to this requirement, unless a special request has been approved by the Executive, and it **DOES NOT** qualify for Volunteer Credits. The Rink Chair schedule is distributed in advance and Rink Chairs are welcome to swap, exchange, trade dates with other members or hire a Rink Chair substitute and pay them directly at the rate of

\$20/hr. A Rink Chair “no show” will result in a charge of **\$30** per session being billed to that family. All Rink Chairs must sign in on their session to ensure that they get credit for their attendance. The Rink Chair is responsible for assisting the coaches in ensuring the safety of the skaters on the ice. If Rink Chairs witness behaviors that may jeopardize the safety of other skaters, it is expected that they will discuss with the coaches. The Rink Chair has the authority to ask a skater to leave the ice.

Off-Ice Programs

The LBFSC offers various off-ice programs. The fees for these programs are set out in the registration pricing. It is strongly encouraged that all skaters participate in at least one of the off-ice programs. Off-ice programs are heavily subsidized by LBFSC to encourage training and are **NOT** refundable on or after the first day of skating unless there is someone on the “waitlist” who would like the spot and the remaining cost will be transferred.

Assessments

LBFSC offers assessments in accordance with Skate Canada’s guidelines. Coaches will determine when their skaters are ready to challenge for an assessment and notify the family. Assessment days are pre-scheduled. Skaters are responsible for paying an assessment fee which consists of a LBFSC fee, Skate Canada fee and costs for the facility and ice time. ***Fees can vary for each assessment day and will be communicated via email to those skaters it applies to.***

Before the schedule is posted many factors will have been considered (i.e. judge timing, partner timing, coach’s request, skater’s request and lastly Assessment Coordinator time). If a skater anticipates any conflicts with timing, they are expected to advise their coach prior to the schedule being posted. It may not be possible to accommodate the request, but it is difficult to do so after the schedule is posted. Changes will not be made to the schedule after it is posted. If a skater is not able to attend their scheduled assessment, they will still be required to pay the fee, unless a medical reason is provided and supported by a doctor’s note.

Assessment Late Fee: A late fee will be charged as determined by the Assessment Coordinator for each assessment day.

Coaching Fees

Each coach will set their policies for coaching fees and communicate with their skaters. Billing will take place either bi-weekly or monthly. Generally, payment of coaching fees is due within **14 days of receipt** of invoice. In additions to lessons, skaters will be billed for costs such as tests, competition, music editing, and other additional charges as communicated by the coach. Consultation with the coach is necessary to understand all charges that may be billed and whether the coach will apply a cancellation fee for cancelled lessons.

Skaters with overdue accounts are not permitted to take assessments or register for any subsequent ice sessions.

Dressing Room Policy

Skaters often come straight from school and require the dressing room to change into their skating clothes. Therefore, no fathers (or other male figures over the age of 5 years old) are allowed in the "girls" dressing room, and no mothers (or other female figures over the age of 5 years old) are allowed in the "boys" dressing room. If the skater requires assistance in tying skates, this can be done on the player's bench inside the rink area before the skating session begins.

Parent Viewing Policy

Parents/family members/others are not allowed in the player's bench inside the rink area **at any time during practice sessions and assessments** and that viewing, and videoing of my own child can be done from the stands.

Etiquette and Parent Code of Conduct

Each skater must be familiar with both the ice etiquette and parent code of conduct. The parent code of conduct is posted on the LBFSC website and must be strictly adhered to. The ice etiquette is set out below and all skaters must adhere to it. Parents are expected to review the following statements with their skater.

1. The soloist (the skater whose music is being played) has the first right of way. Other skaters must be considerate and move out of the way for the soloist.
2. Skaters in a lesson with their coach have the second right of way. Other skaters must allow the skater and coach room to work. Other skaters must choose a different area of ice to work and not disrupt a lesson.
3. For skaters to reach their full potential, they are expected to attend all their registered sessions.
4. Skaters are expected to be on time for all on and off ice sessions and to train throughout the entire session. Unless requested by their coach, skaters must leave the ice when their session is finished.
5. It is expected that the parents avoid talking to and/or coaching skaters that are on the ice.

6. Jumps are to be practiced on the perimeter of the ice and spins are to be practiced in the center of the ice to maximize the flow of all sessions.
7. If a skater falls, they must get up quickly. If the skater is injured, they must ask for assistance immediately.
8. Skaters will not bring food or gum on the ice. Water bottles must be stored at the bench and must be made of durable plastics, or other non-breakable material.

Volunteer Policy

Each family is required to meet the volunteer requirements for the skating season starting June 1 to May 31. This includes, Spring School, Summer School and Fall and Winter sessions.

Volunteers are essential to the operation of LBFSC. The combined efforts of our members ensure not only that administrative responsibilities are carried out, but also facilitate our events and activities. Hundreds of hours go into running the club, so each family is expected to volunteer their time.

Age Requirement

Skaters must be at least **12 years old** and family members must be at least **14 years old** to Volunteer.

Requirements

A minimum of **TBD volunteer hours (TBD credits)** is required.

Credits are applied to every ½ hour of Volunteer time. LBFSC tracking system works on a credit/hour of Volunteer time.

Credits are applied:

½ Hour = 1 Credit

1 Hour = 2 Credits

\$15 = 1 Hour = 2 Credits

To ensure that this requirement is met, each family is required to provide a **\$225.00** volunteer deposit cheque (**posted dated to April 1, 2021**). An invoice will be added to each member's account and the cheque will be due within 30 days of receipt. If the cheque has not been received the account will go into arrears and the member will not be able to register for any future programs, test days or events. Families who do not volunteer will have their cheque cashed at the end of the skating season unless there are extenuating circumstances that have been approved by the LBFSC Executive.

Members will have their VOLUNTEER commitment considered COMPLETE by performing the minimum necessary volunteer hours only.

Transition from Pre-STARSkate/CanSkate

When families transition to the STARSkate program from the **Pre-STARSkate or CanSkate** program for the Winter Session each family is required to volunteer a minimum of $\frac{1}{2}$ the **volunteer hours (1/2 the credits)** and provide a **\$225.00** volunteer deposit cheque (**postdated to April 1, 2021**).

Where there are not enough volunteer opportunities to allow for each family to meet their requirement, the LBFSC Executive will consider this before cashing any cheques.

- Rink chair duties are NOT considered as volunteer hours.
- Any overage of Volunteer Credits CANNOT be carried over to subsequent seasons.
- There is NO maximum number of Volunteer Credits.

Any questions regarding volunteering requirements or opportunities can be directed to the Volunteer Coordinator at volunteer@lbfsc.ca.

Fundraising Policy

Each family is required to meet the fundraising requirements for the skating season starting June 1 to May 31. This includes, Spring School, Summer School and Fall and Winter sessions.

Fundraising is important to all members of our club as it defers many of the costs skating families would have to incur otherwise. The funds raised go towards subsidizing costs of ice sessions, off-ice sessions, awards, and the year-end banquet. One of our major fundraising opportunities is the Casino which is allotted every 18 months. This event provides LBFSC with a good base of funds, but such funds must be designated and spent on Alberta Gaming Commission sanctioned expenditures and therefore additional fundraising is required. Information regarding the fundraiser(s) chosen for the upcoming season will be provided in the fall.

Requirements

Each family must participate in **one or more** fundraising opportunities.

To ensure that this requirement is met, each family is required to provide a **\$150.00** fundraising deposit cheque (**posted dated to April 1, 2021**). An invoice will be added to each member's account and the cheque will be due within 30 days of receipt. If the cheque has not been received the account will go into arrears and the member will not be able to register for any future programs, test days or events. Families who do not participate in the fundraising activities will have their cheque cashed at the end of the skating season.

Members may opt to pay their fundraising deposit by credit card at the time of registration and will not be required to submit a cheque and will not be required to fundraise for the club.

Members will have their FUNDRAISING commitment considered COMPLETE through either participating in fundraising activities, opting out of fundraising at the beginning of the year and paying \$150.00 via credit card, or by their postdated

cheque being cashed at the end of the skating season.

Transition from Pre-STARSkate/CanSkate

When families transition to the STARSkate program from the **Pre-STARSkate or CanSkate** program for the Winter Session each family is **NOT** required to provide a **\$150.00** fundraising deposit cheque due to the lack of fundraising opportunities in the Winter Session.

Any questions regarding fundraising requirements or opportunities can be directed to the Fundraising Chairperson at fundraising@lbfsc.ca.

Competition Subsidy

LBFSC may provide financial support to those who declare LBFSC as their home club, compete in Skate Canada sanctioned competitions and are determined eligible by the LBFSC Executive.

Members who have not completed their Volunteer or Fundraising commitments as described above are NOT eligible for this subsidy.

Casino Policy

LBCA Casino

Working the Lake Bonavista Community Association (LBCA) Casino will fulfill the Member's Volunteer requirement.

LBFSC Casino

Working the Lake Bonavista Figure Skating Club (LBFSC) Casino will fulfill the Member's Volunteer AND Fundraising requirements.

Program Assistant Recognition

"Skate Canada: Alberta-NWT/Nunavut considers the role of Program Assistant (PA) to be that of a volunteer." All PAs must be registered Skate Canada members, must be at least **10** years of age and have a skating level of **STAR 3 or working on STAR 3**. All PAs are required to attend the September PA Clinic for review of the PA expectations. Program Assistants must volunteer **20 hours** prior to being eligible for recognition by LBFSC. Further details will be communicated at the PA Clinic.

Photo and Video Waiver / Media Consent

The Lake Bonavista Figure Skating Club (LBFSC) and/or parties designated by the LBFSC has my permission to use my or my child's (under 18 years of age) photographic portraits, pictures, digital images or videotapes publicly to promote the LBFSC and for training purposes.
