

Congratulations to skaters who competed at Sectionals last month. We had some skaters achieve personal bests, which is fantastic to accomplish at such an important competition! Justin Cheung won the gold medal in the Juvenile Men event. Justin will be on the Alberta Junior Development team for this year!

## Club News

### Fundraising

Thanks to everyone who participated in one or both of our fall fundraising campaigns. The xmas wreaths and centerpieces will be arriving soon, as will the Purdy's chocolates. You'll be all ready for the holidays! Our next fundraiser won't happen until the spring when we will have our very popular Spolumbo's fundraiser and a second round of Purdy's in time for Easter.

It is wonderful to be able to have spectators in the stands at competitions again! But to ensure safety and prevent too many people from congregating overlong at the arenas, there were no medals presented after each event. We wanted to give our medallists their moment though so we held our own, smaller medal ceremonies at the club on Nov 29<sup>th</sup> to celebrate! Congratulations to all our medallists (see p.2 for a list) for making us proud!

## STARSkate & CompetitiveSkate News

The Calgary Region STARSkate competition was held Nov 19-21 and the LBFSC was well-represented with many of skaters participating. Whether it was the first time competing or the skater has years of competition behind her, competition always brings extra energy and focus! We are proud of all our skaters who went out there and gave it their all! Star 2 & 3 received report cards and ribbons—check out page 3 for a list of all participants at this event! Thanks to everyone who sent in photos from the event, to help us capture the excitement and share it on social media. Please continue to share photos with us throughout the season

Many skaters signed up to skate at our first Skater Showcase—it's a great way to get in a simulation before the next competition. We have several Showcases throughout the year with the next one scheduled at the end of January following our photo night. These are perfect times to invite family and friends to watch your skater perform!

### Calgary Region Medallists

Masato Aoyama—silver in STAR 5 130  
Olivia Chen—bronze in STAR 6 flight B  
Alexa Saeger-Billing—silver in STAR 6 flight C  
Justin Cheung—gold in STAR 7  
Erica Hayman—silver in STAR 7  
Reegan Power—gold in STAR 7 and STAR 8

## CanSkate News

We hope that everyone who participated in the mini-competition had fun! There were some very proud little faces that night. If your skater missed mini-competition or can't wait to do it again, we have another mini-competition for the winter session!

We invite everyone in CanSkate to join us on Saturday, Dec 18 for our xmas party. Skaters can take the ice with their families for some fun, and enjoy refreshments and crafts in the multi-purpose room. **Please note that ALL family members must wear a CSA approved helmet to be allowed on the ice as this is a Skate Canada policy.** We have the ice from 11:00-12:45—see you there!

The winter session begins on January 4<sup>th</sup>—register now so your child can keep learning and having fun on the ice!

# Congratulations!!!

To our Skaters that represented the  
Lake Bonavista Figure Skating Club at the  
Calgary Open—Nov 19-21
