

It's hard to believe skaters have been back on the ice for a month already—time flies when you are having fun! The safety of skaters is our number one priority. Thanks to everyone for cooperating with the mask rule; and for your patience with the new check in procedures. Things are always changing. Please keep an eye on the website and social media pages for current updates.

## CanSkate News

Our recreational programs are well underway! The Skate Canada programs are designed to keep skaters moving and having fun. It strives to provide all children with a solid foundation whether they enjoy skating recreationally or participate in skating sports. Registration is always ongoing, and fees are prorated so it's never too late to join in any of our programs. Special discounts are also available for those who register in both fall and winter sessions or skate more than once a week. Check out our website for more information!
